An information night for Rotary Youth Exchange will be held at the Carmel High School Community Room on **Thursday, September 12th from 7:00 pm to 9:00 pm**. This session is for interested students and their parents to learn more about RYE, and whether or not it is the program for them. It is not a commitment, just a **chance to learn** more about the Program.

RYE is for students ages 16-17, typically sophomores applying for their junior year abroad. It is a full academic year in another country. You will live in a host home and attend a local high school. It is the best program of its kind, and one of the least expensive programs in existence. Join us to learn more.

The Community Room is in the west wing of Carmel High School, on the first floor, just north of the school cafeteria. The exterior entrance door number is 7 South. CHS is located at 520 East Main Street, Carmel 46032. That is just a few blocks west of Keystone / Hwy 431 on Main Street (131st Street to the west of Keystone).
